Department of Medicine Grand Rounds

Please join us for Medical Grand Rounds on Tuesday, December 18, 2012, 12:00 noon, in EUH Main Auditorium, 2nd floor. Drs. Wendy Armstrong, Vincent Marconi and David Rimland, with the Division of Infectious Diseases, Emory University, will be presenting:

“The End of AIDS?”

Learning Objectives:
1. Identify areas which are barriers to achieving an AIDS free generation
2. Compare and contrast strategies to decrease transmission of the virus
3. Provide a context for why eradication is necessary
4. Understand the challenges associated with HIV eradication
5. Outline the current strategies in development
6. Identify the key issues for eradication to be feasible

There will be video conferencing to the following locations:
Emory Midtown (Glenn Auditorium), Grady (FOB 101), VAMC (6th Floor Corner Conf. Room), Wesley Woods (Wesley Woods Hospital AV Conf. Room), 1525 Clifton Road, 4th Floor Conf Room #477, Emory Eastside Medical Center, Snellville, GA, Admin. Board Room #1014, Grady Ponce De Leon Center, Room #354, and Decatur Clinic, 3rd Floor Conference Room, Suite #375.
