TITLE:
NIH K Grant Writing tutorials

SPONSOR:
The Office of Postdoctoral Education

ELIGIBILITY:
This series is open to all Postdocs, Instructors, Assistant Professors (and equivalent). The K99 has no US citizenship restriction. Application must be submitted before reaching 4 year anniversary as Postdoc (this is new).

TARGET AUDIENCE:
• NIH K01, K07, K08, K22, K23, K25, K99/00 as well as VA CDA and other career development awards
• New applications for the NIH February 12, 2015 deadline
• Other deadlines: Join the class at least 6-9 months before you plan to submit your grant proposal. We have learned from experience that early planning is a key to success.

FORMAT:
Didactic presentation, discussion, and Q & A. Instructor Janet Gross can also provide an individual read and review of your proposal, time permitting.

DATES:
Class #1. Monday, November 17 (SOM 153A)
Class #2. Monday, November 24 (SOM 190P)

TIME:
9:00am - Noon

MORE INFORMATION:
Check the NIH K Kiosk for more information about K awards and how to access the application guidelines.

TO ENROLL:
To enroll, email Dr. Janet Gross at jsgros2@emory.edu ASAP, along with the following required information:
1. Biographical sketch following the specific instructions for K series Career Development Awards -- see special K instructions in section 7 of the “SF424 (R&R) Application Guide for NIH and Other PHS Agencies”
2. **Title of project** (81 characters max.)
3. **Current position at Emory** – include your official title, year postdoc or current rank began, lab (if postdoc) and mentor
4. **Award category** (e.g., K01) and **NIH Institute** (e.g., NCI)
