SAVE THE DATE - Thursday, May 15, 2014 is the 7th Annual Postdoctoral Research Symposium. This annual event is a time for postdocs to share their research with other postdocs. The Plenary Speaker for this year’s event will be Dr. Richard Cummings, William Patterson Timmie Professor and Chair, Biochemistry. The day will include a light breakfast, lunch, an awards ceremony and reception to follow. Registration information will follow at a later date. At this time all Postdoctoral Fellows are invited to submit an abstract and present a poster for the Research Symposium. Any poster used in the last year or that will be used in the next year can be submitted. This year the list of oral presenters will be highly regarded as it will only be a limited number selected to present this year. Make sure you get your abstract in before the deadline below.

The deadline for abstract submission is Friday, March 21, 2014

Abstracts (sample attached) should be submitted as a Microsoft Word document in Roman Times font 12pt and contain:

- Title of Abstract:
- Author(s)
- Postdoc Mentor:
- Postdoc Department:
- Abstract: 250-300 words in length
- Source of funding for research (if applicable)

Please send abstracts as a Word Document attached to your email to Lisa Flowers (lflowe3@emory.edu), indicate the judging category you wish for your Poster AND if you want to be considered for an oral presentation.

- Cell Biology and Biochemistry
- Cancer Biology and Oncology Sciences
- Genetics and Molecular biology
- Neurobiology/Neuroscience
- Vaccine research and Immunology
- Microbiology and Infectious Disease
- Molecular and Systems Pharmacology
- Clinically-based Research Projects
- Public Health Studies
