

CALL FOR ABSTRACTS

1st Annual Workshop on *How to Incorporate Sex as a Biological Variable in Your Research*

Wednesday, December 2, 2020

8:00 am to 12:45 p.m.

Via Zoom

SUBMISSION DEADLINE: 10/9/20

The Emory Specialized Center of Research Excellence (SCORE) is **now accepting abstract submissions for a poster session** that will take place as part of their December 2nd workshop on *How to Incorporate Sex as a Biological Variable in Your Research*.

Posters will be available for conference attendees to view on the SCORE website and **'Best Poster' awards** will be given in multiple categories. **One Basic / Pre-clinical Research poster and one Clinical / Public Health Research poster will be presented at an oral presentation during the workshop.**

Successful abstracts will describe research that is focused on sex as a biological variable; sex and gender differences; gender-based health disparities; and/or women's health research. Submitted abstracts may be recycled from previous conferences or presentations as long as those conferences/presentations were held on or after December 1, 2018.

Abstract Guidelines: Abstract content should not exceed **400 words**. Please use the attached template to format your abstract for submission (see next page).

Important Dates:

- **10/09/20:** Abstract submission deadline
- **10/23/20:** Abstract acceptance notifications
- **11/13/20:** Posters due
- **11/20/20:** Oral abstract decision notification
