This survey asks a lot of questions about who you are and what you think or how you feel about things. Some of these questions are very personal. All your answers will be kept completely confidential. You don’t even put your name on this survey. You have an identification code (ID) that identifies you to our staff but no one else. Please answer every question unless it says to SKIP to another question. Only put one answer unless the directions for a certain question tell you that you can give more than one answer. If you don’t understand a question or have any problems filling out this survey, please raise your hand and someone will help you. What YOU think about things is very important, so please answer the best that you can.
